**S.O.S.: Alternatives to Capitalism**

By Richard Swift

_A genuine invitation to both dream and recover from a nightmare._
~Federico Demaria, Research & Degrowth, Barcelona

Financial collapse and crisis; disgust at bankers’ greed; the devastating effects of yawning inequality: all these and more have led to widespread dissatisfaction and disenchantment with capitalism. People are crying out for an alternative but are continually told that one does not exist.

Richard Swift proves this to be wrong with style and assurance. With capitalism vulnerable and out-of-step in the wake of financial crises this book investigates the alternatives that are on offer - including socialism, social democracy, anarchism, ecology and degrowth.

Combining the practical with the visionary, he shows that finding alternatives to capitalism is no longer an academic issue for the left – it is an urgent planetary necessity.

Praise for S.O.S

Richard Swift’s S.O.S.: Alternatives to Capitalism makes a major contribution to changing the parameters of political debate. It helps us move beyond the pseudo-alternatives of the political mainstream and begin to work for the kind of change we can believe in without being delusional. We need serious and widespread discussion of Swift’s central thesis that a reinvigorated left politics focused on policies such as degrowth, control of capital, and a guaranteed income can lead us toward the overarching goal of a just, compassionate, ecologically sound and democratically self-managed post-capitalist society.”
~ John P. Clark, author of The Impossible Community: Realizing Communitarian Anarchism (Bloomsbury, 2013)

“Swift guides his reader through a troubling political history of 20th Century capitalism and its stunted alternatives. He then explores ways out of our death trap known as business-as-usual. A genuine invitation to both dream and recover from a nightmare.”
~ Federico Demaria, Research & Degrowth, Barcelona

“Richard Swift’s thoroughly researched and timely book takes a much-needed view of the alternatives that existed – and still exist – beyond capitalism.”
~ Jaideep Hardikar, journalist and author of A Village Awaits Doomsday

“I came away from S.O.S with the comforting sense that there was an enjoyable world before capitalism and there can be one after.”
~ Barbara Garson, playwright and author of Down the Up Escalator: How the 99% live

“Commendably judicious... With S.O.S.: Alternatives to Capitalism, Swift joins a growing strand of 21st-century literature that explores radically different ways of organizing our economy and politics.”
~ Cy Gonick, founder and long-time editor of “Canadian Dimension” magazine
